## 2019 Subaru Crosstrek®

2.0i 2.0i Premium 2.0i Limited

The second-generation Crosstrek compact SUV has become Subaru's third-best-selling model in the U.S.

### New for 2019

- EyeSight® Driver Assist Technology is now available on all trim levels
- Models equipped with EyeSight also feature the high-grade instrument cluster with color LCD, overhead console shower light and Tire Pressure Monitoring System with individual tire pressure display
- EyeSight, High Beam Assist and Reverse Automatic Braking standard on Crosstrek Limited
- Crosstrek Premium features upgraded 6.5-inch SUBARU STARLINK Multimedia system that adds a single-disc CD player, HD Radio® and SiriusXM® All Access Radio and Travel Link® (subscription required)
- Crosstrek Premium adds dual rear USB ports
- Updated STARLINK Safety and Security services include remote engine start with climate control, advanced automatic collision notification, customizable vehicle alerts, and much more.
- New STARLINK Concierge service offers personal assistance with tasks like navigation, restaurant reservations, and scheduling service appointments

### Key Facts

- Built on Subaru Global Platform for excellent straight-line stability, agility and ride comfort with low noise, vibration and harshness
- 2.0-liter 4-cylinder SUBARU BOXER® engine delivers 152-hp and 145 lb-ft of torque
- 6-speed manual transmission standard for base and Premium
- Lineartronic® CVT (continuously variable) is standard for Limited and optional for 2.0i base and Premium. CVT for 2.0i base trim

includes low shift mode, X-MODE® and Hill Descent Control available for base. In Premium and Limited trims, the CVT replaces low shift mode with 7-speed manual mode function with paddle shift control switches

- Standard Symmetrical All-Wheel Drive: with 6-speed manual, Continuous AWD version uses a viscous coupling locking center differential that nominally distributes torque 50:50 front to rear. With Lineartronic CVT, Active AWD uses electronically managed continuously variable transfer clutch that adjusts the torque distribution based on acceleration, deceleration and available traction.
- Raised suspension with Stablex dampers
- Active Torque Vectoring standard on all models
- Steering Responsive Headlights (SRH) illuminate curves as the vehicle steers into them and are standard on Limited. SRH is available on Premium with EyeSight.
- High Beam Assist automatically activates and deactivates the high beams based on driving conditions is also standard on Limited.
- Tire Pressure Monitoring System with individual tire pressure display is optional on base and Premium. Standard equipment on Limited.

### Basic Specifications
