

AT-A-GLANCE

2023 Subaru Outback®

Base ✧ Premium ✧ Onyx Edition ✧ Limited ✧ Touring
Onyx Edition XT ✧ Limited XT ✧ Touring XT ✧ Wilderness

- 2023 Outback is safest, roomiest, most capable Outback ever.
- Standard Subaru Symmetrical All-Wheel Drive
- Built on Subaru Global Platform for higher levels of collision protection, handling agility, quietness and ride comfort.
- Direct-injection SUBARU BOXER® 4-cyl. and 4-cyl. turbocharged engines
- Latest generation EyeSight® Driver Assist Technology standard on all models
- Up to estimated 33 highway MPG

New for 2023

- Onyx Edition now available with 2.5-liter engine
- Both Onyx Edition models have new black window molding and trim and new black-finish 18-inch alloy wheel design
- Onyx Edition XT adds standard power moonroof.
- All models (except Wilderness) add new-design black side cladding and restyled front end with revised headlight and fog light design, new grille and bumper.
- Eyesight system adds new and wider-angle stereo camera and improved performance of the control and image recognition software.
- Touring models also gain a Wide-Angle Mono Camera. The additional camera works with EyeSight to further expand the field of view to recognize pedestrians and bicycles sooner when the vehicle enters an intersection at low speed.
- Automatic Emergency Steering added to the suite of features for EyeSight (standard on all but Base and Premium; optional for Premium)

- Electronically controlled power-assisted dual-diagonal brake system, networked with Gen 4 EyeSight system to improve EyeSight function responsiveness.
- Heated steering wheel now heats entire wheel, optional on Limited and standard on Touring, Limited XT and Touring XT.
- 12-way power-adjustable driver's seat, including power lumbar support and two-position memory; replaces 10-way power seat on Limited and Touring trims.
- Standard and optional SUBARU STARLINK® multimedia systems with improved on-screen controls for audio, HVAC, X-MODE and vehicle features
- Touring trims add new standard Smart Rear View Mirror with auto-dimming, compass and HomeLink®.
- Seatback storage pockets on higher-grade trims are now divided for added versatility.
- Input jacks (USB and 3.5mm aux.) and charge ports are now illuminated on all models.
- Wilderness gains standard removable cargo area tray.
- All models except base add rear gate LED light. (Already on Wilderness.)
- LED dome light on all models.

Key Facts / Mechanical

- 2.5-liter direct-injection 4-cylinder SUBARU BOXER® engine; 182-hp, 176 lb-ft torque
- XT and Wilderness models equipped with 2.4-liter turbo/intercooled BOXER engine; 260-hp and 277 lb-ft of torque; uses regular-grade fuel
- Lineartronic® CVT with 8-speed manual shift mode and steering wheel paddle shift control switches

- Subaru Symmetrical All-Wheel Drive with active torque split uses an electronically managed continuously variable hydraulic transfer clutch to actively control torque distribution in response to driving and road conditions: standard
- Hill Descent Control and X-MODE for enhanced control on inclines and slippery surfaces.
- Onyx Edition models feature Dual-mode X-MODE with Snow / Dirt and Deep Snow / Mud modes and Hill Descent Control for greater capability and control
- Wilderness-exclusive version of Dual-mode X-MODE features Snow / Dirt and Deep Snow / Mud modes, Hill Descent Control plus Low-Speed/Low Ratio Gradient Control
- 8.7-in. of ground clearance (except Wilderness)
- 9.5-in. ground clearance for Wilderness
- Variable gear ratio electric power steering
- Front suspension struts feature internal rebound springs

Key Facts / Design and Function

- 75.6 cu. ft. max. cargo capacity
- Sound-insulation windshield
- LED low and high-beam headlights with High Beam Assist standard on all models
- Outback 2.5-liter models feature Active Grille Shutter system that helps to improve fuel economy by reducing wind resistance when closed
- Expanded wheel arch cladding adds to the vehicle's bolder new look while providing additional protection.

Key Facts / Safety

- Gen 4 EyeSight Driver Assist Technology includes Advanced Adaptive Cruise Control with Lane Centering; Pre-Collision Braking and Throttle Management; and Vehicle Lane Departure and Sway Warning

- Models equipped with Blind Spot Detection with Lane Change Assist and Rear Cross Traffic Alert now also feature Automatic Emergency Steering.
- Available Reverse Automatic Braking
- EyeSight Assist Monitor: head-up display with EyeSight warnings and system status on the windshield is standard on all trim levels
- Rear Seat Reminder standard on all models; designed to help prevent child and/or pet entrapment by alerting the driver to check the rear seat before exiting the vehicle.
- Front and rear seat passenger seatbelt warning light and chime.
- All models feature standard Automatic LED Low and High Beam Height Adjustment Control and Steering Responsive Headlights
- Available segment-exclusive DriverFocus™ Distraction Mitigation System can identify signs of driver fatigue or distraction
- Standard rear vision camera with washer
- Available Front View Monitor displays a 180-degree view of the front of the vehicle on the multimedia display by using a camera located in the front grille.
- Eight airbags: Subaru Advanced Frontal Airbags, front seat side pelvis/torso airbags, side curtain airbags with rollover sensor, passenger seat cushion airbag and driver's knee airbag.
- Brake Assist and Brake Override systems
- Outback Wilderness model with enhanced trail and outdoors capability. Highlights include: 2.4-liter turbo/intercooled engine; Wilderness-spec suspension with 9.5-in. ground clearance; increased approach, departure and breakover angles for enhanced trail driving capability; all-terrain tires; Wilderness-exclusive exterior design features and trim; exclusive version of Dual Mode X-MODE for enhanced capability; StarTEX® upholstery with copper-color stitching; Wilderness-exclusive ladder type roof rails and crossbars, LED fog lights with hexagon pattern and more. (See full equipment list in this document.)

Height (66.9 Wilderness)	66.1 in.
Width (74.6 Wilderness)	73.0 in.
Base curb weight	3,641 lbs.
Engine 2.5L models	DOHC BOXER, 2.5-liter
Horsepower	182
Torque	176 lb-ft
Transmission	Lineartronic CVT
XT and Wilderness	DOHC BOXER, 2.4-liter, turbocharged
Horsepower	260
Torque	277 lb-ft
Transmission	High-torque Lineartronic CVT

Standard Equipment

(New features for 2023 highlighted in bold)

Outback Base

- **Latest EyeSight Driver Assist Technology** includes Advanced Adaptive Cruise Control with Lane Centering; Pre-Collision Braking and Throttle Management; and Vehicle Lane Departure, and Sway Warning
- Lineartronic CVT with 8-speed manual shift mode
- Front and rear seat passenger seatbelt warning light and chime
- Rear Seat Reminder
- Single-mode X-MODE with Hill Descent Control
- SUBARU STARLINK Dual 7.0-inch Multimedia system: upper 7-inch touchscreen has improved on-screen controls for audio, and lower 7-inch screen has improved on-screen controls for climate control system and controls for EyeSight, X-MODE and other vehicle systems. Audio features include AM/FM/HD

Radio, Apple CarPlay® and Android™ Auto; SiriusXM (with 4-month audio and Travel Link® trial subscriptions); and voice recognition for audio and climate control system

- USB-A input/charge port in front center console, **illuminated**
- 3.5mm auxiliary input jack, **illuminated**
- 12v power outlet in glove box
- 17-inch aluminum alloy wheels in black with machine finish
- 225/65R17 102H all-season tires
- Aerodynamic wheel arch fins (front and rear) in black
- Wheel arches and side cladding in black **(revised design for 2023)**
- 4.2-inch LCD color combination meter display (functions vary by trim level)
- 60/40 split fold-down rear seat with center armrest
- Active Torque Vectoring
- Auto Start/Stop ignition
- Auto Vehicle Hold
- Automatic climate control system
- Brake Assist Control
- **Cargo area light, LED with off-delay**
- Dash panel with silver stitching
- LED headlights (low and high beam) with High Beam Assist and automatic height adjustment **(revised design for 2023)**
- Steering Responsive Headlights
- Power fuel door lock
- Power windows: driver and front passenger with auto up/down and pinch protection and off-delay operation
- Roof spoiler, body color with black edge and end panels
- Shift lever plate with simulated leather boot and silver stitching
- Sound insulation windshield

- Cabin air filtration system
- Cargo area tray
- Carpeted floor mats
- Dome light, **LED**
- Dual illuminated visor vanity mirrors
- Electronic parking brake
- Exterior power mirrors, foldable, black
- Height-adjustable driver's seat
- Illuminated glove box
- Illuminated ignition switch ring with off-delay
- LED fog lights
- Overhead console with dual LED map lights (with off-delay) and sunglasses holder
- **Rear gate LED**
- Rear seat heat duct outlets (floor)
- Rear Vision Camera with washer
- Remote keyless entry system with integrated ignition key
- Roof rails with tie-down points and integrated retractable cross bars in black
- Security system with engine immobilizer
- Subaru Advanced Frontal Airbags, front seat side pelvis/torso airbags, side curtain airbags with rollover sensor, passenger seat cushion airbag and driver's knee airbag
- Tilt/telescoping steering wheel with audio, Bluetooth and cruise control switches
- Tire Pressure Monitoring System with individual tire display
- Turn signals with one-touch lane changer
- Welcome lighting
- Whiplash-protection front seat head restraints, height and tilt-adjustable
- Windshield wipers: intermittent feature with variable timer

Premium adds or substitutes over Base:

- Rear center console HVAC vents
- SUBARU STARLINK 11.6-inch Multimedia Plus system features an 11.6-inch high-resolution touchscreen; improved on-screen controls for audio, HVAC, X-MODE and vehicle features; combination meter integration; smartphone integration with wireless Apple CarPlay®, Android™ Auto; SiriusXM (with 4-month audio and Travel Link® trial subscriptions); and Bluetooth hands-free phone and audio
- USB-C input/charge port in front center console, **illuminated**
- USB-A and USB-C charge ports in rear center console, **illuminated**
- 10-way power driver's seat, including power lumbar support
- 12-volt power outlet in rear center console
- All-Weather Package (3-mode heated front seats, heated exterior mirrors and windshield wiper de-icer)
- Chrome inner door handles
- Dark tint privacy glass
- Dash panel and door trim panels with silver or ivory stitching
- Dual-zone automatic climate control system
- Exterior power mirrors: body-color, folding with integrated turn signals, **new Crystal Black Silica finish**
- Front console storage tray light
- Illuminated inner door handles
- Single-touch lifting cargo cover
- Leather-wrapped shifter handle
- Leather-wrapped steering wheel with silver stitching
- SUBARU STARLINK Connected Services:
 - Safety Plus plan that include 3-year free trial
 - A more comprehensive STARLINK Safety Plus & Security Plus plan that adds a 6-month free Security trial

- Concierge service available

Optional for Premium:

- Blind Spot Detection with Lane Change Assist and Rear Cross Traffic Alert; **models so equipped also feature new Automatic Emergency Steering**
- Power rear gate with automatic close and height memory and hands-free feature
- Keyless Access with Push-Button Start
- Power moonroof
- SUBARU STARLINK 11.6-inch Multimedia Navigation system includes all features of STARLINK 11.6-inch Multimedia Plus system and adds: includes voice activated navigation powered by the latest version of TomTom® and SiriusXM Travel Link (3-year free subscription); SiriusXM® Traffic and Travel Link (3-year free subscriptions); (CD player available as an accessory)

Onyx Edition (new 2.5-liter trim for 2023) adds or substitutes over Premium:

- 18-inch alloy wheels with full-size spare (**new design for 2023**)
- 225/60 R18 all-season tires
- 8-way power front passenger seat
- Dual-mode X-MODE system
- Auto-dimming rear view compass mirror with Homelink® and thin frame design
- Auto-up / auto-down on all windows with anti-pinch protection
- Cargo area tie down hooks: 8
- Center dash panel trim: gloss black
- Combination meter visor: black with silver metallic finish trim
- Dash panel with silver and green stitching
- Door trim panel accent insert: gloss black with silver metallic finish trim
- Door trim panel armrests: simulated leather

with silver stitching

- Driver Assist Technology: Blind-Spot Detection (BSD) / Rear Cross Traffic Alert (RCTA) System; **now also includes Automatic Emergency Steering**
- Exterior badges in black
- Floor mats: carpeted with Onyx logo on front mats
- Front grille: Onyx type
- 180-degree Front View Monitor
- **Front seatback pockets, divided**
- Hands free power rear gate with automatic close and height memory
- Heated rear seats: outboard seat positions
- Keyless Access with Push-Button Start and PIN Code Access
- Positive temperature coefficient heater for fast cabin warming
- Power windows: all windows with off-delay operation
- StarTex® trimmed upholstery with green stitching
- Tailpipe: Dual single outlets

Optional for Onyx Edition

- Reverse Automatic Braking
- Power moonroof
- SUBARU STARLINK 11.6-inch Multimedia Navigation system includes all features of STARLINK 11.6-inch Multimedia Plus system and adds: TomTom Navigation with 3 years of free map updates; SiriusXM® Traffic and Travel Link (3-year free subscriptions); (CD player available as an accessory)

Onyx Edition XT adds over Onyx Edition:

- 2.4-liter turbo/intercooled engine; 260-hp and 277 lb-ft of torque; uses regular-grade fuel
- Reverse Automatic Braking

- Power moonroof
- SUBARU STARLINK 11.6-inch Multimedia Navigation system includes all features of STARLINK 11.6-inch Multimedia Plus system and adds: TomTom Navigation with 3 years of free map updates; SiriusXM® Traffic and Travel Link (3-year free subscriptions); (CD player available as an accessory)

Wilderness adds or substitutes over Onyx Edition XT:

- Wilderness-spec raised suspension provides 9.5-in. ground clearance (versus 8.7-in. for all other Outback models); together with Wilderness-exclusive bumpers provides increased angle of approach and departure and breakover angle for greater off-pavement travel capability
- Wilderness-exclusive X-MODE / Dual Mode with Hill Descent Control: system uses Active AWD variable transfer clutch lock control to offer even more capability and control on slippery road surfaces and inclines; features Snow / Dirt mode, Deep Snow/ Mud mode (under 25 mph); Deep Snow / Mud mode (above 25 mph); Low Speed / Low Ratio Gradient Control can automatically detect vehicle travel on steep gradients and shift to a CVT low ratio comprised of a lower transfer gear ratio and lower first ratio.
- Wilderness exterior design featuring special grille, front and rear bumpers, matte black hood decal, Wilderness-specific black side and wheel arch cladding; black pillar color and mirrors and special badging.
- Wilderness interior design featuring StarTex® trimmed upholstery with copper stitching; aluminum alloy pedal covers; gunmetal metallic finish and anodized copper accents; copper stitching on dash, door panels and console
- Wilderness-exclusive raised ladder type roof rails and crossbars with anodized copper finish end mount accents and black-finish tie-down points
- 17-inch matte black-finish alloy wheels with 48mm offset for wider track
- Yokohama Geolander A/T 225/65R17 all-

terrain raised white letter tires, includes full-size spare

- Front bumper tow points (2) with anodized copper finish covers
- PVC rear seatback material for durability
- Transmission shifter simulated leather boot with copper stitching
- Combination meter visor: Black with Gunmetal Metallic finish
- All-weather floor mats with Wilderness logo on front mats
- **Cargo area tray, Wilderness type**
- **Front seatback pockets, divided**
- Wilderness-exclusive black inner headlight bezel and black inner extension
- LED hexagon-pattern fog lights with covers
- LED rear gate light

Optional Package for Outback Wilderness

- Power moonroof
- Reverse Automatic Braking (RAB) system
- SUBARU STARLINK 11.6-inch Multimedia Plus system includes all features of the standard system and adds TomTom Navigation with 3 years of free map updates; SiriusXM® Traffic and Travel Link (3-year free subscriptions)

Limited adds or substitutes over Premium:

- **12-way power driver's seat with two-position memory and power lumbar support**
- **New-design** 18-inch alloy wheels in black with machine finish
- 225/60R18 100H all-season tires
- Blind Spot Detection with Lane Change Assist and Rear Cross Traffic Alert; **now also includes Automatic Emergency Steering**
- **Front seatback pockets, divided**

- Power rear gate with automatic close and height memory and hands-free feature
- Heated rear seats (outboard positions), dual-mode
- Keyless Access with Push-Button Start
- Perforated leather-trimmed upholstery with silver or ivory stitching
- Reverse Automatic Braking
- 8-way power passenger seat
- Driver's seat bottom cushion extension, forward length adjustment
- Auto-dimming rear view compass mirror with Homelink® and thin frame design
- Black interior trim panels with silver metallic finish
- Exterior power mirrors with passenger-side auto tilt-down in reverse gear plus two-position memory synchronized with driver's seat position memory
- Front and rear bumper under guards in silver metallic finish
- Power windows: all windows with auto up/down with pinch protection and off-delay operation

Optional for Limited:

- DriverFocus Distraction Mitigation System
- Heated steering wheel (**360-degree coverage for 2023**)
- Power moonroof
- SUBARU STARLINK 11.6-inch Multimedia Navigation system; **also includes Harman/Kardon speaker system**

Limited XT adds or substitutes over Limited

- DriverFocus Distraction Mitigation System
- Heated steering wheel (**360-degree coverage for 2023**)
- Positive temperature coefficient heater for fast cabin heating

- Power moonroof
- SUBARU STARLINK 11.6-inch Multimedia Navigation system; **also includes Harman/Kardon speaker system**

Touring adds or substitutes over Limited:

- EyeSight system adds Wide Angle Mono camera for enhanced functionality
- SUBARU STARLINK 11.6-inch Multimedia Navigation system; **also includes Harman Kardon® speaker system**
- DriverFocus Distraction Mitigation System
- 180-degree Front View Monitor
- Slate Black Perforated Nappa leather-trimmed upholstery with tan stitching
- Ventilated front seats
- Body-color exterior door handles with chrome insert
- Cargo area tie-down hooks (8)
- Center dash panel trim: simulated leather with tan **or silver** stitching and gloss black finish trim
- Door panel trim: tan **or silver** stitching
- Exterior mirrors: automatic power-folding with satin chrome finish
- Exterior pillar trim: chrome and black chrome silica finish
- Power moonroof
- Rear center console storage box in simulated leather with tan stitching
- **Smart Rear-View Mirror with auto-dimming, compass and HomeLink®.**

Touring XT model adds over Touring:

- 2.4-liter turbo/intercooled BOXER engine; 260-hp and 277 lb-ft of torque; uses regular-grade fuel
- Positive temperature coefficient heater for fast cabin heating
