

AT-A-GLANCE

2014 Subaru Legacy®

2.5i 2.5i Premium 2.5i Sport 2.5i Limited 3.6R Limited

- Midsize All-Wheel Drive sedan model line with standard Symmetrical All-Wheel Drive.
- Available in 4-cyl. and 6-cyl. models.
- Legacy 2.5i with CVT achieves EPA-estimated 24 mpg city/32 mpg highway and 27 mpg combined-- the best combined rating of any midsize sedan with all-wheel drive.
- IIHS Top Safety Pick+
- IIHS "Superior" rating in Front Crash Protection test program when equipped with available Subaru EyeSight®, the highest-rated front crash prevention system by IIHS.

New for 2014

- EyeSight driver assistance system now optional on 2.5i Premium model; previously available only for Limited. EyeSight integrates Adaptive Cruise Control, Pre-Collision Braking and Vehicle Lane Departure Warning.
- Adaptive control is added on all CVT transmission models. Based on vehicle inputs received by the transmission control module, pulley gear ratios are always optimized based on driving preferences and road conditions.
- New Alloy Wheel Package for 2.5i model includes 17-inch alloy wheels, 215/50 R17 all-season tires and fog lights with chrome trim rings.
- Rear vision camera included with Power Moonroof Package on Premium and Limited models; uses Display Audio screen.
- The 2.5i Premium gains the Display Audio system as standard, featuring HD Radio, 4.3-in. LCD display screen, single-disc CD player, SiriusXM Satellite Radio (4-month trial subscription included), 6-speakers and all features of the Legacy 2.5i audio system (Bluetooth® audio streaming and hands-free phone connectivity, iPod® control capability, USB port, 3.5mm auxiliary input jack).
- The Legacy Sport now offers optional integrated navigation system.
- Aha® smartphone integration included with the optional navigation system.
- The electroluminescent illumination instrument cluster with the center mounted color LCD

display is optional on the 2.5i Premium model with the Eyesight system.

Key Facts

- 103 cu. ft. passenger space and 14.7 cu. ft. trunk are among best-in-class for midsize sedan segment.
- Three types of Symmetrical All-Wheel Drive: 2.5i models with 6-speed manual transmission use Continuous AWD with a viscous-coupling locking center differential to distribute torque 50:50 front to rear; Legacy 2.5i models with continuously variable transmission (CVT) use Active Torque Split AWD with an electronically managed continuously variable transfer clutch to actively control torque distribution in response to driving and road conditions. Legacy 3.6R models use Variable Torque Distribution (VTD), which normally sends more torque to the rear wheels to enhance handling agility and continuously adjusts torque distribution in response to driving and road conditions.

Basic Specifications

Body	5-passenger sedan
Wheelbase	108.3 in.
Length	187.2 in.
Height	59.3 in.
Width	71.7 in.

Engine:

Legacy 2.5i	DOHC H4, 2.5-liter
Horsepower	173 hp
Torque	174 lb.-ft.
Transmission	6-speed man. or CVT

Legacy 3.6R	DOHC H6, 3.6-liter
Horsepower	256 hp
Torque	247 lb.-ft.
Transmission	5-speed automatic

Key Standard Features
