

AT-A-GLANCE

2015 Subaru Outback®

2.5i 2.5i Premium 2.5i Limited 3.6R Limited

- All-new version of the World's First Sport Utility Wagon® with standard Symmetrical All-Wheel Drive.
- Roomiest, most capable Outback ever.
- Available in 4-cyl. and 6-cyl. models.

New for 2015 / Design and Functionality

- The 2015 Outback maintains a similar footprint as the model it replaces, yet offers more room.
- Windshield is more raked, pulled forward 2 in. at the base; the new windshield angle, higher seating hip points, new front partition windows and door-mounted side view mirrors help improve visibility.
- Improved aerodynamic efficiency contributes to lower fuel consumption.
- 108.1 cu. ft. passenger volume, up from 105.4
- Increased cargo capacity; max. now 73.3 cu. ft.
- 2015 Outback 2.5i projected to achieve estimated 25 mpg city / 33 mpg highway / 28 mpg combined – comparable to crossovers with front-wheel drive.
- Outback 2.5i debuts Active Grille Shutter system that helps to improve fuel economy by reducing wind resistance when closed.
- Aluminum hood for improved fuel economy.
- Limited trim features turn signal exterior mirrors.
- Standard HID low-beam headlights for 3.6R Limited.
- Power rear gate standard for Limited, available for Premium.
- New step-type side sills allow easier loading of the roof rails with integrated crossbars.
- New rear seatback release levers in cargo area.

New for 2015 / Performance

- 4-cyl. powertrain revised for lower weight, higher efficiency and quieter operation.
- Lineartronic® CVT (continuously variable transmission) standard on all models, featuring new friction-reducing measures and steering wheel paddle switches for 6-speed step shifting.

- Quick-ratio electric power-assisted steering delivers excellent feel and also contributes to reduced fuel consumption.
- Active Torque Vectoring, an enhancement of the Vehicle Dynamics Control (VDC) stability and traction control system, contributes to more neutral cornering.
- Revised spring and damper tuning and geometry and standard 17-inch wheels (18-in. on Limited) endow the 2015 Outback with greater handling agility.
- Ventilated front and rear disc brakes.

Standard Symmetrical All-Wheel Drive

- Standard Active Torque Split version of Symmetrical All-Wheel Drive employs an electronically managed continuously variable hydraulic transfer clutch to actively control torque distribution in response to driving and road conditions.
- New standard X-Mode, Hill Descent Control and Hill Start Assist expand capability and control on slippery road surfaces and inclines.

New for 2015 / Comfort & Infotainment

- Smoother, quieter ride thanks to the use of liquid-filled engine mounts, acoustic windshield, thicker panels in key locations and expanded use of insulation and damping materials.
- New soft-touch materials, thicker cushioning for armrests and center console and new trim styles give the Outback a more premium feel.
- Gauges with blue ring illumination in Premium and Limited trim lines.
- Limited trim line offers the highest level of luxury ever in a Subaru, including standard perforated leather upholstery; two-position memory for the 10-way power driver's seat; a 4-way power front passenger seat; three-mode heated front seats (also standard for Premium) and dual-mode heated rear seats.
- Keyless Access & Start system with PIN code access option on Limited trim.
- 6.2 Infotainment System in Outback 2.5i uses a 6.2-inch touch display with swipe and scroll

multi-function control for audio and other features. System features Subaru STARLINK™ smartphone integration with Aha™ Infotainment, Pandora® Radio and iHeart® Radio.

- Available Navigation Infotainment system in Premium and Limited uses a 7-inch multi-touch display screen that offers swipe, pinch, and scroll gesture controls; interactive voice command system accepts natural language and phrases and also operates the dual-zone automatic climate control system.

- New high-end audio system (standard for Limited) combines a 576-Watt equivalent AM/FM/HD Radio system with 12 harman/kardon® speakers and amplifier, including a front center speaker and a rear subwoofer.

- One-touch lane changer function for the turn signals adds convenience.

New for 2015 / Safety & Security

- Front seat-cushion airbags deploy from the seat bottom to help keep occupants in place in a frontal collision.
- Rear-view camera standard on all models.
- Rear Vehicle Detection System, standard on Limited trim line and available for the 2.5i Premium, includes Blind Spot Detection, Lane Change Assist and Rear Cross Traffic Alert.
- Available EyeSight® driver assistance system, the highest-rated front crash prevention system by IIHS continues with Adaptive Cruise Control, Pre-Collision Braking and Vehicle Lane Departure Warning.
- New rollover sensor can deploy the side curtain airbags if an imminent rollover is detected.
- New standard Welcome Lighting automatically turns on interior illumination and exterior lights as the driver approaches or departs the car.
