## SUBARU SOLTERRA RESERVATION SYSTEM OPENS TODAY

- Solterra Retailer Reservation Opportunity begins today at 12 P.M. ET
- Reservations can be made on the Subaru Solterra website
- Subaru announces partnership with EVgo
- Solterra is Brand's first all-electric SUV

Camden, N.J., Feb 8, 2022 - Subaru of America, Inc.(SOA) today announced that customers interested in purchasing the all-new 2023 Solterra can reserve theirs starting today at 12:00 P.M. ET. Additionally, SOA has partnered with EVgo (Nasdaq: EVGO) to provide customers with access to a public charging network of over 46,000 locations across the U.S.

The Solterra Retailer Reservation Opportunity allows customers a unique chance to be among the first to purchase or lease the 2023 Solterra. A limited number of reservations will be available. The reservation process allows a customer to select their preferred Subaru retailer, pick trim and color, and pay a refundable reservation fee of \$250. Final orders, pricing, availability, and financing will be agreed upon with the customer's Subaru retailer between April and May 2022, subject to pricing announcement. Vehicle deliveries will begin in the Summer of 2022. The Subaru Solterra is available in all 50 states.

Subaru has partnered with EVgo, the nation's largest public fast charging network for electric vehicles, to provide customers with access to more than 800 public fast charging locations and 1,200+ L2 charging stalls spanning 68 metropolitan areas and 35 states. Plus, EVgo is the first public EV fast charging network in the U.S. to be powered by 100% renewable energy. For more information, please visit [www.evgo.com](http://www.evgo.com).

The Solterra, Subaru's first all-electric SUV, is the most technologically advanced Subaru yet. Packed with advanced safety technology, the versatile and capable Solterra is built from Subaru SUV DNA, including legendary Subaru Symmetrical All-Wheel Drive and plenty of ground clearance. With an estimated range of more than 220 miles, owners can explore the city streets and the open road with confidence.

### About EVgo

EVgo (Nasdaq: EVGO) is the nation's largest public fast charging network for electric vehicles, and the first to be

powered by 100% renewable energy. With more than 800 fast charging locations, EVgo's owned and operated charging network serves over 68 metropolitan areas across 35 states and more than 310,000 customers. Founded in 2010, EVgo leads the way on transportation electrification, partnering with automakers; fleet and rideshare operators; retail hosts such as hotels, shopping centers, gas stations and parking lot operators; and other stakeholders to deploy advanced charging technology to expand network availability and make it easier for drivers across the U.S. to enjoy the benefits of driving an EV. As a charging technology first mover, EVgo works closely with business and government leaders to accelerate the ubiquitous adoption of EVs by providing a reliable and convenient charging experience close to where drivers live, work and play, whether for a daily commute or a commercial fleet.
