Camden, N.J., Jun 17, 2021 - Subaru of America, Inc., today announced pricing on the 2022 Impreza sedan and 5-door models, the only compact passenger cars in America equipped with all-wheel drive as standard in every model trim. Offered in four trim levels – Base, Premium, Sport and Limited – the 2022 Impreza arrives at Subaru retailers this summer. Pricing remains unchanged from the previous year across the model line.

For 2022, a striking new exterior color is available on all trim levels: Sapphire Blue Pearl. The new color is paired with an either black or ivory interior depending on trim level.

All Impreza models equipped with the Lineartronic CVT come standard with the award-winning Subaru EyeSight® Driver Assist Technology, which includes Automatic Pre-Collision Braking and Throttle Management, Lane Keep Assist, Lane Departure and Sway Warning, as well as Lead Vehicle Start Alert. Models with CVT feature Rear Seat Reminder (RSR), which is designed to help prevent child and/or pet entrapment by alerting the driver to check the rear seat before exiting the vehicle. RSR is also standard on Impreza Sport with manual transmission.

The 2022 Impreza comes standard with legendary Subaru Symmetrical All-Wheel Drive and a 2.0-liter 4-cylinder direct injected SUBARU BOXER® engine that produces 152-horsepower and 145 lb.-ft. of torque. Available on all trim levels is the Lineartronic CVT (continuously variable transmission), which on Premium and above, features a 7-speed manual mode function with steering wheel paddle shifters. The 2022 Impreza achieves up to 36 highway MPG and more than 450 miles on a full tank, making it one of the most fuel-efficient all-wheel drive vehicles sold in the U.S.

Impreza

The Impreza Base with standard 5-speed manual transmission is priced at \$18,795 for sedan and \$19,295 for 5-door. With optional Lineartronic CVT, the Base is priced from \$20,095 for sedan and \$20,595 for 5-door, and includes standard EyeSight Driver Assist Technology, Rear Seat Reminder, high-grade combination meter with 4.2-inch color LCD, Tire Pressure Monitoring System with Automatic Individual Wheel ID Registration and, on the sedan, an

electronic trunk lid release.

The Base has an extensive roster of standard features including the SUBARU STARLINK® 6.5-inch Multimedia system with touchscreen; Android Auto™ and Apple CarPlay®; power windows with auto up/auto down on both driver and passenger sides; 60/40-split fold-down rear seat; power door locks and side mirrors; multi-function display with fuel economy information; tilt and telescoping steering column; keyless entry; security system with engine immobilizer; carpeted floor mats and more. Automatic power door locks with collision detection unlock function is standard on all trim levels.
